

BIOGRAPHY

UNITED STATES AIR FORCE

COLONEL LESLIE C. MARTIN

Col. Leslie C. Martin is the director of the Engineering Support Directorate, Headquarters Air Force Civil Engineer Support Agency, Tyndall Air Force Base, Florida. He has oversight responsibility for providing technical assistance for design, construction, operations and maintenance of facilities and infrastructure throughout the Air Force. Additionally, he is responsible for energy reduction efforts, utility rate negotiations and an airfield pavement evaluation team that provides structural and capacity analysis for peacetime and contingency operations.

Colonel Martin is a career engineer. He received his commission through Officer Training School in 1983. In addition to numerous civil engineering positions, he has also been a mission support group deputy commander.
